

Susan G. Komen Memphis-MidSouth granted \$555,787 in Community Grants for April 2014 - March 2015.

These projects have been selected by our independent Grant Review Panel as those that will have the greatest impact in serving uninsured or underinsured women in our service area.

Please note that Susan G. Komen® is not a direct service provider.

KOMEN COMMUNITY GRANTEE	AMOUNT AWARDED
<p>Baptist Memorial Hospital for Women</p> <p><i>To provide screening mammograms, diagnostic mammograms, and ultrasounds to underserved women on a digitally-equipped mobile unit and diagnostic procedures as needed at the Women’s Health Center.</i></p>	\$130,000
<p>Regional One Health, formerly Regional Medical Center at Memphis</p> <p><i>To provide screenings, mammograms, follow-up care if needed and early detection educational sessions for economically disadvantaged women.</i></p>	\$100,000
<p>Julie B. Baier Foundation, Inc. through the Mroz Baier Breast Care Clinic, PC</p> <p><i>To serve the diagnostic needs of uninsured patients that are in need of breast care services and would not otherwise be able to afford them. These services include mammograms, ultrasound, physical exams, and biopsies.</i></p>	\$90,000
<p>Baptist Memorial Hospital - DeSoto</p> <p><i>To provide screening mammograms, diagnostic mammograms, and ultrasounds to underserved women in DeSoto, Marshall, Tate and Tunica counties.</i></p>	\$60,000
<p>Methodist Healthcare Foundation</p> <p><i>To provide outreach and education to women, as well as access to breast health services, including screening mammography, diagnostic mammography, ultrasounds and treatment regardless of patient financial constraints.</i></p>	\$95,787
<p>Church Health Center</p> <p><i>To provide medical screenings in the CHC clinic. This project targets the medically underserved women of Memphis.</i></p>	\$30,000

<p style="text-align: center;">Baptist Medical Group</p> <p style="text-align: center;"><i>To provide breast exams, ultrasounds, biopsies, and treatment as needed to underserved women with new breast symptoms or who have been identified to need additional evaluation.</i></p>	\$20,000
<p style="text-align: center;">Alliance Charitable Foundation, through the Alliance Healthcare System</p> <p style="text-align: center;"><i>To provide breast exams and mammograms for underserved, uninsured, and underinsured women in Marshall and Benton counties.</i></p>	\$15,000
<p style="text-align: center;">New Bethel M.B. Church, through STAARS (Surviving, Thriving, African Americans Rallying Support)</p> <p style="text-align: center;"><i>To provide breast health education sessions, screening mammograms for those who are financially eligible and monthly breast cancer support group meetings for patients and survivors.</i></p>	\$7,500
<p style="text-align: center;">Urban Health Education and Support Services (UHESS)</p> <p style="text-align: center;"><i>To provide culturally competent education, support and awareness services to primarily African American and underserved women who are newly diagnosed breast cancer patients, survivors and/or have relapsed.</i></p>	\$7,500
<p style="text-align: center;">BREAST CANCER RESEARCH</p> <p style="text-align: center;"><i>(through the National Komen Grants Program)</i></p>	\$219,000

This year alone, Komen Memphis-MidSouth and its current grantees will provide services to more than approximately 6,500 people and education materials to over 17,000 in our 21 county service area. Our Community Grants would not be possible without the support we receive from our sponsors, donors, Race participants, and volunteers.
